

## Global Consultancy

Turner & Townsend is a global leader in project delivery and business improvement consultancy, with more than 2,400 people working from a network of 56 offices located all over the world.

We are proud to be working for many of the biggest companies in the world and for many of the world's governments – providing a powerful mixture of expertise, knowledge and innovation to make a real difference in almost every sector you can think of, from mining and energy to hi-tech manufacturing and pharmaceuticals, rail and air transport, health and education, banking and commercial development, regeneration and sustainability.

We're very good at what we do. That's why our clients trust us, and why for the past seven years we've grown by more than 25% year on year.

**We're still growing fast, all over the world. That's why we need you.**

**Turner & Townsend is currently providing consultancy services to 9 of the 10 largest companies in the world**

**Chimwewe**  
Cost Manager, Liverpool  
University of Salford

*"Turner & Townsend has given me brilliant experience and the support I have received from all levels of the company has been overwhelming. And I love the fact that if I wanted to relocate anywhere in the world, there will be a Turner & Townsend office where I want to work."*

## Cost Managers

## Global opportunities

Because we're good, and very keen to go on growing, we can offer you a world of opportunity you'll be hard pushed to find anywhere else.

- To work with great clients on great projects
- To work all over the world
- To work with the best people in the industry
- To take responsibility as soon as you're ready
- To broaden your horizons and build a great career
- To develop and grow to your full potential

We're looking for good graduates with the right pieces of paper. But we're also looking beyond your immediate qualifications for people with the personality and passion to help us build a great company – and to share in our success.

Last year more than 100 Turner & Townsend people transferred within the company to a different part of the world

**Adrian**  
Project Manager, Singapore  
Newcastle University

*"Turner & Townsend has given me fantastic career development support, and the chance to work on global projects for global clients in one of the most exciting places in the world. This is a company I am proud to be a part of."*

## Project Managers

## Career Development

We offer you a career, not a job, and we will invest in you and support you every step of the way through your progress with us.

We want you to be the best, because that's what keeps us out in front, and that's what keeps our clients happy.

We also fully appreciate that your work is just one part of your life, so we do everything we can to create a working environment that allows you to develop your full potential personally as well as professionally.

**Andrew**  
Management Consultant, Glasgow  
Glasgow Caledonian University

*"Turner & Townsend's investment in my professional development has allowed me to expand my skills and knowledge enormously. But they have also given me great opportunities to gain practical experience with clients, and they have involved me in the development of internal processes which has broadened my skill set even further."*

## Management Consultants

**Turner & Townsend consultants are helping to complete the deepest man-made excavation and the tallest residential building in the world**

## Be what you want to be

### We are looking for over 100 new Graduates to become:

Cost Managers • Project Managers • Management Consultants

But the unique breadth of our consultancy services means that we can also give you the freedom to grow and move from one area of expertise to another.

You can specialise, or you can expand your skills and qualifications as widely as you like.
